Others in attendance included: Randy Eide, Lowell Prange, Ben Ludeman, Justin Weiss and Gordy Smith.

By consensus the June 16, 2021 minutes were approved.

Eide informed the Commission that the Bureau of Aeronautics felt it would be cost prohibitive to build a rental corporate hangar that is attached to the existing FBO hangar. After a good deal of discussion on the topic, a **MOTION** was made by Solsaa, seconded by Sommerfeld, to move forward with building a standalone 120' x 120' Corporate Rental Hangar at a location that follows the recently completed taxiway expansion project plans. **MOTION** passed.

Based on recent incidents at the Airport Terminal Building, a **MOTION** was made by Solsaa, seconded by Sommerfeld, to add signs to the Terminal doors stating "Authorized Use & Airport Aviation Business Only" after a review of the sign language by the Bureau of Aeronautics. **MOTION** passed.

Gordy Smith suggested that the AOPA could also be contacted to see if they have any suggestions for the terminal entrance signs.

The Airport Manager's report was reviewed.

MOTION to adjourn by Solsaa, seconded by Sommerfeld. **MOTION** passed.

The next meeting is scheduled for **Wednesday, August 18, 2021 at 6:00pm** at the City Council Chambers (800 Wilson Ave).
